### **2011 BELMONT SMALL BUSINESS AWARDS**

BUSINESS owner Jody Mackey of Vizzy Kidz knows that children are busy little people and sometimes no matter how much you supervise them, they still manage to disappear from sight occasionally.

To combat this problem, Jody created a range of highly visible vests for children to wear and was awarded Best New Business for 2010 at last year's Belmont Small Business Awards.

Entries are now being accepted for the 2011 Belmont Small Business Awards.

To enter, visit [belmontbec.com/awards2011](http://belmontbec.com/awards2011) or call 9479 3777.
