

My Business Incubator providing ONLINE support to Small Business across WA

Belmont Business Enterprise Centre Inc. (Belmont BEC) and **My Business Incubator Project** delivers specialist business improvement services ONLINE to small businesses across Western Australia.

The innovative My Business Incubator program includes the following elements for small business owners:

- Receiving FREE one/one ONLINE Business Mentoring with advisors to improve and grow their business
- Accessing FREE or discounted specialist Business Webinars ONLINE to gain skills from a small business owner's home or office
- Attending FREE Networking Events to make new business contacts, guest speakers and business experts.

Carol Hanlon, CEO of Belmont BEC said, "The My Business Incubator program is Belmont BEC's current major project for small business owners across Western Australia. In the last few months we estimate that we have provided hundreds of small businesses and potential new businesses more than 500 free training and mentoring services. Pleasingly over 70 business support services were delivered to those wishing to start a business. I encourage anyone wanting to improve or take their small business to the next level to join this special program. In most cases, once participants are approved for the project the events, seminars and webinars are free."

Recently some My Business Incubator program participants had the opportunity to enter the Belmont Business Awards. The 20th Belmont Small Business Awards included 23 different categories for entrants, they were free to enter, and small businesses could enter their own business or nominate another business that they felt deserved one of the prestigious awards. Via the My Business Incubator project, business owners wanting to enter the awards were able to obtain free advice via workshop or webinar giving tips and tricks about how to write award submissions. Winners will be announced Thursday November 28th, 2013 in the Ballroom at Perth Exhibition and Convention Centre.

My Business Incubator ONLINE Training & Mentoring Project is partially supported by the Australian Government, Belmont Business Enterprise Centre Inc., Textile Clothing Footwear Resource Centre of WA Inc. (TCFWA).
