Congratulations

Belmont enterprise centre country's best

THE Belmont Business Enterprise Centre has been named Best Metro Business Enterprise Centre in Australia.

Founding manager Carol Hanlon accepted the award earlier this month at the BEC Australia Forum in Canberra.

"I am thrilled to win this award on behalf of our com-

mittee, staff, volunteers and supporters of Belmont BEC," she said.

"It's an honour to be recognised amongst so many other fantastic BECs around Australia".

This Wednesday the Belmont BEC will host the Belmont and Western Australian Small Business Awards.
