Belmont BEC would like to thank all our dedicated Volunteers for their support and participation

Congratulations to all the Finalists and Winners in the 33rd Annual Belmont & Western Australian Small Business Awards for 2026.

Every great business starts with an idea, someone willing to back themselves, and the determination to turn ambition into reality. I'm delighted to celebrate the incredible people and businesses making their mark at the 33rd Annual Belmont and Western Australian Small Business Awards.

From family businesses and sole traders to innovative start-ups and growing enterprises, Western Australia's small businesses are creating jobs, bringing new ideas to life and strengthening communities right across the state.

And there's plenty to celebrate. Australia is now home to a record high more than 2.7 million small businesses. This includes almost 260,000 here in Western Australia, nearly 15,000 more than this time last year.

As someone who has run small businesses myself, I know the hard work, courage and commitment it takes to build something of your own.

That's why the Albanese Labor Government is backing that ambition with more than $3.8 billion in practical measures to support small businesses and help them grow while encouraging investment. Tonight is about you, the risk-takers, innovators and hard workers who turn good ideas into great businesses, create opportunities for others and bring our local communities to life. I would like to congratulate all of the nominees tonight. People like you give so much to our communities and I am always inspired by you. I wish you all every success.

Hon Dr Anne Aly MP - Minister for Small Business; International Development; Multicultural Affairs

For more than 30 years small businesses have been celebrated in the Belmont & Western Australia Small Business Awards, organised by the Belmont Enterprise Centre led by the indefatigable Carol Hanlon. In its 33rd year, it is my honour to celebrate this year's entrants and finalists, and acknowledge the significant role that they as small businesses play in shaping Western Australia's economic and social landscape.

Small businesses embody Australian values and provide outstanding contributions to the Western Australian community. The entrepreneurship, determination and passion you possess turns concepts into tangible outcomes. It is a privilege to witness the creativity and innovation you demonstrate.

Our state's small business sector is a formidable pillar of the local economy, generating more than $87 billion in value added each year and employing more than 540,000 Western Australians. Your enterprises are instrumental in driving economic progress, and cultivating the business opportunities that shape our future.

Beyond the substantial economic contributions, small businesses play an indispensable role in strengthening local communities, enhancing our state's capability, and creating opportunities and role models for the next generation.

To the finalists and winners of this year's awards, I extend my sincere congratulations on this notable accomplishment. Nomination alone is recognition of your excellence. Your achievements reflect not only your dedication and perseverance, but also the invaluable support of your families, employees, business partners and wider networks whose commitment has helped you along the way.

Know that your efforts are valued and that your enterprising business spirit is recognised and appreciated.

Best wishes for success tonight and into the future.

Hon Jackie Jarvis, MLC - Minister for Agriculture and Food; Fisheries; Forestry; Small Business; Mid West

Small businesses are an important part of our community.

I know it's not easy running a small business. They work hard, face challenges and, at times, have to face them alone. They provide local jobs, support our local economy and play an important part in making Belmont a great place to live, work and visit.

That's why we are proud to have been a major sponsor of the Belmont & Western Australian Small Business Awards since they began in 1994. For more than 30 years, the Awards have celebrated the people whose ideas, commitment and hard work help our community thrive.

Congratulations to all the 2026 finalists and winners. This recognition is well deserved, and I wish you and your businesses every success for the future.

Robert Rossi, Mayor City of Belmont

Belmont BEC Inc & TCFWA Inc congratulates all finalists and winners in the 33rd Annual Belmont & Western Australian Small Business Awards 2026 for your achievements and excellence in your business.
